

RoHS Compliance Statement

01 May 2020

To Whom It May Concern,

This document certifies that products sold by Spectrum Scientific, Inc. including mirrors, diffraction gratings and other optical components manufactured by Spectrum Scientific, Inc. are in accordance with Directive 2002/95/EC (Restriction of Hazardous Substances). This optical component is deemed to be compliant in accordance with the maximum concentration values issued by the European Union Technical Adaptation Committee (TAC) or by exemptions stated in directive 2011/65/EU which allows the use of lead and cadmium in optical and filter glass. Glasses containing lead and / or cadmium are compliant to RoHS according to exemptions 13(a) and 13(b) in Annex III of the directive.

The information provided in this document and disclosure is correct to the best of Spectrum Scientific's knowledge, information and belief at the date of its release. The information provided is designed only as a general guide for the safe handling, storage, and any other operation of the product itself or the one that it will become part of. The intent of this document is not to be considered a warranty or quality specification. Regulatory information is for guidance purposes only. Product users are responsible for determining the applicability of legislation and regulations based on their individual usage of the product.

Authorized Signatory:

Daphnie Chakran
